ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

This order addresses Plaintiff's letter at Dkt. 201. Discovery has not yet commenced; however, all parties must adhere to rules regarding preservation of evidence. The request to conduct an inquiry into evidence tampering is denied without prejudice as premature and without adequate basis. The Court will separately issue an order setting a date for an initial pretrial conference, prior to which the parties shall comply with the requirements to meet and confer and file a proposed case management plan and scheduling order.

The Clerk of Court is directed to terminate the letter motion at Dkt. 201.

SO ORDERED.

A handwritten signature in black ink, appearing to read 'R. Lehrburger', with a long horizontal flourish extending to the right.
